Dear PCTC Members and Friends:

Greetings from the Philippines Canada Trade Council.

We are pleased to announce that the PCTC has reached an important milestone this year – **our 40th year Anniversary**. The Council was founded on June 27th, 1983, to primarily promote fellowship among Filipino and Canadian professionals and businessmen in Canada and the Philippines. It is to this purpose that we organize the **2023 PCTC Golf Tournament** to be held on **Friday, June 30, 2023** at the **Newlands Golf and Country Club** – to bring us all together to celebrate the past 40 years and look forward to more years of success in business and fellowship. Let's make it memorable and fun!

The PCTC Golf Tournament is being organized to raise funds for our trade advocacies and member development activities next year. Additionally, a portion of the funds raised will be donated to ANCOP, a non-government organization raising funds to build houses for underprivileged families in the Philippines.

Our organization is seeking your support a Sponsorship of the 2023 PCTC Golf Tournament. You will find in the attached package, the categories and benefits for different sponsorship levels, plus an opportunity to distribute materials to some 150 golfers and guests. Your active participation in networking before, during and after the games will provide ample opportunity to know people that will be relevant to your company.

Your participation and support will mean a great deal for us at PCTC. We are convinced that it will be returned to you in good measure given the expected high level of participation coming from our members and their immediate network.

May we count on your generous support?

Sincerely yours,

Anna Cervantes Lu
